

CNBC'S 'MAKE ME A MILLIONAIRE INVENTOR' FOOTBALL AND FISH

Action Drone Inc. to Appear on Primetime TV, Thursday, November 17th at 10PM ET/PT

Chula Vista, CA, November 14, 2016 – Action Drone, Inc. will appear on Primetime Television with Agudrone on CNBC's season two "Make Me A Millionaire Inventor", Football and Fish episode. Hosted by engineering experts Deanne Bell and George Zaidan, "Make Me A Millionaire Inventor" is on a mission to find the best inventions.

Make Me a Millionaire Inventor | 'Weekend Warriors': George and Deanne help two father-son teams trying to turn pastimes into profit. George meets a single father looking to inspire his son with the "Tailgater", an easy-to-use table and chair system. Meanwhile, Deanne advises a duo with a multi-use fishing drone called the "Agudrone". Premiere episode Thursdays 10P ET/PT.

Bell and Zaidan scour the country looking for amazing ideas they're convinced can make big money. They'll track down the inventors and give them a second chance to bring their ideas and dreams to life. The inventors will be given the resources and help they need to take their products from concept to reality; they'll prototype, test and perfect their inventions while preparing for the biggest pitch of their lives.
